

38th/Blake Station

This station would provide 200 parking spaces opening day (2015) and 500 spaces in 2030. The parking distribution on opening day is 100 spaces on the northwest site and 100 spaces on the northeast site. Vehicular access to the northwest parking site would be provided at 39th Street and Wynkoop Street, and access to the northeast site would be provided along Blake Street.
